Introduction

1

RUA (Risk Underwriting Agency) is a key player in the reinsurance sector, operating as a managing general agent (MGA) and agent for reinsurers. RUA acts as a strategic bridge between brokers and markets, enabling capacity to be deployed efficiently.

With its proven sector expertise, recognised international knowledge and the trust of renowned insurers, RUA is committed to providing solid support through its underwriting team.

As an outsourced service company, we cover all technical (risk underwriting), after-sales (claims management and settlement) and administrative (accounting and premium collection) functions.

About us ?

Company history

Created in 2024 by a group of industry experts, RUA combines 50 years of expertise in the reinsurance sector.

Our values

Flexibility and Expertise: Solutions tailored to your needs, Innovation: Proactive approach to emerging risks (e.g. cyber-risks).

Strategic goals

- Develop in-depth expertise in complex and specialised sectors.
- Identify and exploit market opportunities in under-exploited areas.
- Offer tailored solutions for high value-added segments.

Our vision

3

Our ambition is to support our partners in cutting-edge and niche risks, while bridging any gaps in capacity or expertise from one region to another.

At RUA, we aspire to be the partner of choice for our stakeholders by responding to the most complex challenges, exploring opportunities in niche sectors and cutting-edge risks.

We are committed to bridging gaps in capacity and expertise between different regions, enabling our partners to overcome geographical, technical and industry barriers.

Our approach is guided by a clear ambition: to offer innovative, customised solutions that meet the specific needs of each market, while guaranteeing optimum risk management and sustainable collaboration.

“

At RUA, we don't just bridge gaps, we build bridges to a more secure and prosperous future.

Our philosophy
